HAVEN BANKS

About the Centre

Haven Banks Outdoor Education Centre is located between the River Exe and the Exeter Shipping Canal, close to the Riverside Valley Park, right in the heart of Exeter. Brand new purpose built facilities were completed in July 2013 and now offer Exeter, Devon and the wider community an outdoor and adventurous activity hub which is second to none.

As well as full time further education courses the Centre continues to offer and expand its provision to all areas of education, community and youth groups, individuals, families, adults and the corporate sector.

The state-of-the-art water-side facilities provide extensive activity areas including a replicated rock climbing wall, a realistic artificial cave system and a 22 metre climbing and abseiling tower with a "Powerfan" descender. Located within the centre there are numerous meeting and training rooms, including a wet training room, plenty of changing/shower rooms, office and social spaces and of course equipment storage areas.

Although there is no on-site parking, Haven Road car park is just a 5 minute walk away from the Centre. Alternatively individuals can be dropped off and observed walking right to the front door of the Centre.

All staff are employees of Exeter College and as such each is fully qualified and experienced in their activity area. Additionally, all staff hold a valid first aid award, have attended safeguarding training and have been enhanced DBS checked. The Centre is accredited by many National Governing Bodies. The full list of our recognition and accreditation can be seen below.

Session Times

Morning sessions run from 9.30am – 12.30 and afternoon sessions run from 1.30pm – 4.30pm. Children on full-day activities are supervised throughout the lunch time period. We also offer the option of an Early Drop Off and Late Collection for busy parents. This means children can be dropped off at the centre from 8.00am in the morning and picked up in the evening right up to 6.00pm. Cost £6 per child per day.

What to Bring/Wear

Children should bring lunch for full-day activities. Children will need to wear old clothes, including footwear, for all water based activities. Please ensure your child brings plenty of clothing suited to the weather conditions. Generally they will need to bring a towel and a complete change of clothes to change into after activities. All specialist equipment is provided. Wetsuits are only supplied for Windsurfing and Coaststeering. However, they can be hired for a small additional fee. Caving will require wellington boots as these are not supplied by the centre. Sun cream, sun hats and a light weight rain coat are also recommended. If your child is attending a full day's activity they will also need to bring a hearty packed lunch with plenty to drink. Unless stated, transport to offsite venues will be provided at no extra cost.

A clothing list, joining instructions, activity information sheets and timetables are available to download from the specific course booking webpage. Please contact us if you require any further information.

Haven Banks Outdoor Education Centre is approved by:

British Canoeing for kayaking, canoeing, bell-boating and stand up paddleboarding.

Royal Yachting Association for sailing, windsurfing and safety/powerboating.

National Indoor Climbing Award Scheme for climbing wall activities.

The Centre has met all administrative and safety standards as defined by:

Ofsted (Reg Number: EY466324) and the Adventure Activity Licencing Authority (AALA).

Providing you with the reassurance your child is in the best possible care at all times.
